Features like 8 character Alpha Display, numerous programmable keys and a full keypad, the VX-420 is great public safety portable.

With features like built in 2-tone decode (on duty and off duty) and an option for digital voice recording, 5 watt output and 3 Year Warranty, this is the perfect replacement (or alternative) for your overpriced pager.

Features like over the air kill, stun and revive (as well as many others) make this radio a perfect business portable that is built rugged, giving you the absolute best value for your money.

When you need a radio to do it all... The VX-420 fits the bill.
